

## Figure Eight | Elective Classes

*Elective classes are only available to:*

*Current members of the Figure Eight workshops and private Figure Eight students*

### **Generative Writing - 4 classes**

In these workshops I'll offer 1-2 prompts, give everyone time to write and then time to share. You're welcome to follow the prompts or use the time to work on an independent piece of writing.

11am-12pm EST

### **How It Works - 1 class**

In this class we'll look closely at a published piece of creative nonfiction and analyze how it works as a piece of art. The class will be part lecture, part discussion. I'll send out the piece in advance and ask participants to read it ahead of class.

Friday, 5/27

4:15-5:15pm EST

### **Writing Process - 1 class**

This class will be a space for writers to discuss the challenges, questions and curiosities that arise during the writing process. I'll send out a reading ahead of the class as a basis for discussion.
